Oakland Calif.
July 6, 1922

Dear Folks:
Just a few lines before I go to bed. It is after two and rather tired.

We had no trouble at all coming up here except — Roy had a flat tire (Marvin We also tied) and a wire guess it was the main wire because the steady backer wouldn't go came loose unhitched or something. Tuesday we drove about 350 miles. Believe me we hit the high spots.

Got into Oakland about 7:15 P.M. Then looked & hunted for an auto camp. When we were all in (under covers) Mrs Honeyman said it was 11:7 well somewhere around so. The first nite we spent on the other (your side) of

Pixley. Less than half way
between Bakersfield & Fresno
Tues. Morn. we arose at 3. It
was only 116 in the shade. Mem
at Bakersfield when we came
thru.

~~We~~ We thot we came the
Ridge Route ~~to~~ but Mrs. Haney—
or Marvin was saying tonite
that we didn't. Tell Miss D.
we came on that awful
crooked ______ road ~~she~~
was talking about. We had
a breeze all the way.

Got your letter tonite. the
only one from Arcadia so far.
Have written you each B's a
card.

We all have nice places.
Boys the Y.M. Marian an Norma together
in South Berkeley & Jane & Opal
together in south Berkeley
The rest of us in ~~an~~ a home
in Oakland. No one has ever thot of
being sick. We only come home

once & that's at nite.

Didn't stay for all of meeting tonite came out before address. Wish you could see the Auditorium It is certainly Wonderful. Can't tell you more about it when we get home.

By the way before I forget as far as I know now we are not coming home right home after Convention. We are planning on taking a little trip all our own. Expect to take a look at Frisco & I don't know where else. ~~Above all~~ Be sure you Worry just as much as you can because it is going to do a lot of good. Have not used your check yet. Hope we will not have to. I have about 18.00 left Didn't use any of 20. until I got here then this noon guess it was used about 1.00. It isn't very warm up here not like

-4-

Arcadia Bakersfield or anyplace else.

Tomorrow afternoon is recreation aft. Have not decided what to do.

It is after 10:30 & Mr. & Mrs. V. are in bed & I should be. If any of the girls or any one asks why I don't write them tell them I don't have time. Say hello to them & give them my love. Wrote a card in bed Wed morn. No one was awake when I was so as purse & "stuff" was handy wrote.

Wrote 2 cards in a dry session this fore noon. It was dry. all about prohibition.

Well must say goodnite. Hope dads back is better. We had both a hot & cold fourth.

How did you get thru kicking? & trimming ma's red hat? Say Howdy to Davie.

Goodnite.
